The King Kikau is our top cross-country full suspension bike. It's a perfect balance of lightweight, durability, and rider-driven design. Built beyond the conventional mantra that disposable, ultra-lightweight is OK, the King Kikau embodies what we believe to be a beacon of design sensibilities.

King Kikau

Kikau Deluxe

Fig 2. Slightly more Deluxe than the Kikau.

Fig 3. Using the same proven 4-bar rear suspension as our King Kikau, this entry level full suspension cross country bike uses the same design used by our World Cup Kona–Clarks-Les Gets race team.
